Dear Lester,

The Sierra Nevada Alliance has been well represented by Martha Davis on the Ecosystem Roundtable since we secured a seat at the table. However, Martha's new job has reduced her time availability and the Alliance has selected another Board member to be our representative.

Bill Center, from Lotus, California has a great deal of experience in water issues in the Sierra. Bill is a raft company owner, a former county supervisor, and a board member of the Sierra Nevada Alliance, the Planning and Conservation League and the Great Valley Center. I think you will find him a knowledgeable and thoughtful participant on the part of the Alliance, the Sierra and the broader California water picture.

Bills' address is:

If you have any questions, please do not hesitate to call.

Very truly yours,

Laurel W. Ames  
Executive Director
